“Spring Into Health Fair” will **engage, encourage, empower,**
and expose community residents to an array of holistic services.
Participating sites will engage local community-based
organizations and City agencies in each neighborhood.

Activities will focus on three topics: **awareness** and **education**
(supplemental nutrition assistance, health insurance
enrollment opportunities); **lifestyle information** (e.g., Blood
pressure, vision, dental screening); and demonstrations (e.g.,
Yoga, Zumba, CPR).
